

YOU SAID WE DID!

Hadley Wood Primary School

Parent Survey 2024

I would like feedback from the Learning Mentor if my child has accessed this provision.

Our Learning Mentor will offer a parent meeting at the end of each block of sessions to discuss progress or next steps.

I would like to better understand how my child is performing and how often I will receive updates on their progress.

The School will produce a Parent Guide to Assessment to support parents understanding of our assessment and reporting system.

I would like to learn more about the Good to be Green Behaviour system.

Class Teachers will include information about how we promote positive behaviour in our September Parent Curriculum Meetings.

I am a working parent and cannot always speak to the Class Teacher at the end of the day.

Class Teachers can always arrange a telephone call later on in the school day if you need to speak with them. Staff will signpost parents on how to organise this each week on class homework page.

I would like to find out more about how Music and Physical Education is taught across the school.

Each of our curriculum overviews can be found on our website under The Hadley Wood Curriculum tab. We will also produce a termly newsletter showcasing the children's learning in these areas.

I would like to find out more about how children are selected to be part of the School Council.

The School will produce a Parent Guide to School Council and Pupil Voice.

YOU SAID WE DID!

Hadley Wood Primary School

Parent Survey 2024

I would like to find out more about what my child is learning about in school.

The School produces a yearly overview broken down into half termly subject areas. This is shared at the beginning of the year and is uploaded onto our website. Class Teachers will also add this to their homework pages on a half-termly basis for parents to access easily.

I would like to understand more about how homework is set and marked.

We will add this information into our September Parent Curriculum Meetings.

I think there are too many trips. I would like an idea of costing so I can plan accordingly.

The School will add the rough costings for any planned trips within the year to the Parent Enrichment Letter sent out in September.

I cannot always attend face to face workshops and parent information events. Can alternative options be offered?

The School will offer a range of face to face and pre-recorded workshops and parent information sessions.

I would like more notice about upcoming events especially sporting ones as it is difficult to organise attendance around work commitments.

We have passed this information onto the sports team at the LA and will aim to provide parents with a minimum of two weeks notice for all school events.

I would like to attend workshops/parent information events on the following curriculum areas: Mathematics, PSHE and Online Safety.

Next year's Come Learn with Me events will focus on mathematics and PSHE. We will also offer parent information sessions on Online Safety and, mathematics and PSHE.
