The drawing features a central text box with a black border, divided into six horizontal sections of different colors: brown, grey, red, green, blue, and purple. The text is written in a simple, black font. Surrounding the text box are various hand-drawn illustrations: a rainbow, a crescent moon and star, a chair, a red bucket, a gift box, two globes (one sad, one happy), a red heart, a yellow smiley face with a tongue sticking out, a brown chair, a grey mountain, a red and black globe, a yellow and red globe, a pink and white scribble, and a blue and purple scribble. At the bottom, there are several vertical stripes of color (red, green, brown, yellow, pink, blue) and a series of vertical lines of varying heights, resembling a fence or a decorative border.
